The purpose of this E-Mail Memorandum is to advise staff that Homecrest Children's Homes voluntarily chose not to renew its residential child care agency license. The Administration and Board of Directors of Homecrest Children's Homes anticipated closing the operating sites in Kennett late in 2002, but maintained the two operating sites as long as the license was valid so that several of the residents could finish school. There are no longer any residents living at the operating sites.

Please feel free to contact Fred Proebsting, State Supervisor, Residential Program Unit, (573) 751-4920, if you have any questions or comments regarding this matter.
