The purpose of the E-mail memorandum is to notify staff that, effective immediately, New Haven has been removed from voluntary intake suspension and may resume intake of new residents. New Haven was placed on voluntary intake suspension on July 1, 2003, due to fire at the girls' operating site. New Haven has rebuilt a new site at a different location that now accommodates 18 females and males ages 12 to 18 years at one site. New Haven is licensed for basic core and residential treatment and has contracts for Children's Division (CD) level II (moderate) and level III (severe) residents. The New Haven contact is Kiwi Popyk, Executive Director at 660-826-8673.

Please feel free to contact Fred Proebsting, State Supervisor, Residential Program Unit, 573-751-4954 if you have any questions or comments regarding this matter.
