The purpose of this E-mail memorandum is to notify staff that, effective immediately, New Life Women's Center (NLWC) is voluntarily closing. NLWC has voluntarily chosen not to renew its license to operate as a residential child care agency. NLWC was licensed to provide maternity care for five (5) females, ages eleven (11) to (21) years. NLWS has not received referrals which it thought appropriate for the program it wanted to provide, so it decided that there is no need for its services in southwest Missouri. There are no residents currently placed at NLWC.

Please feel free to contact Fred Proebsting, State Supervisor, Residential Program Unit, 573-751-4954, if you have any questions or comments regarding this matter.
