The purpose of this E-mail memorandum is to advise staff that, effective immediately, Good Shepherd Children and Family Services has completed the combination of the male residential treatment program (formerly known as Father Dunne's Old Newsboy's Home) and the female residential treatment program (formerly known as Marian Hall) into one (1) residential treatment program, located in a newly built facility at 1340 Partridge Ave., St. Louis, MO 63130. The site formerly occupied by the Male Residential Program will be voluntarily closed and no longer used by Good Shepherd for its programs.

Good Shepherd is licensed to operate as a residential child care agency for basic core services as well as the specialized services of residential treatment for twenty-four (24) male and female residents' ages twelve (12) to twenty-one (21) years. The new Good Shepherd operating site contracts with the Children's Division for emergency shelter, level II (moderate needs) and level III (severe needs). In addition, all programs operated under the child placing license will also relocate to the new operating site. Staff are requested to work with Good Shepherd staff in making whatever changes are necessary to accomplish a smooth transition for residents. The Good Shepherd contact is Stacie Newberry at 314-854-5700.
