                CHILDREN'S DIVISION STAFF

FROM: JAMES C. HARRISON, ACTING DIRECTOR

SUBJECT: REDESIGN OF THE CHILDREN'S DIVISION INTRANET SITE

DISCUSSION:

The Children's Division Intranet site has been redesigned and will go live after 5:00 p.m. today, December 30, 2008. Our redesign contains all the content from our previous Children's Division Intranet site, in addition to many new and informative links we hope staff will find beneficial and more user-friendly. The 'A-Z' link in the top navigation bar (gray in color) lists all the content alphabetically and will be helpful in locating previous and new content. Some content continues to be developed and those sites may not link yet or may indicate they are "under construction". Content will display as it becomes available.

The "What's New!" section will feature the most current Children's Division's news, and items will display in this middle section for a limited time.

We welcome any comments as you navigate this site.
