RESOURCE FAMILY IN-SERVICE TRAINING REQUEST, CD-114
PERSONAL REFERENCE QUESTIONNAIRE, CS-101F
CERTIFICATE FOR LICENSURE AND APPROVAL FOR FOSTER CARE SERVICES

DISCUSSION:

In response to the Continuous Quality Improvement (CQI) process, three forms have been revised.

Resource Family In-service Training Request, CD-114

The purpose of the CD-114 is for resource parents to request approval to receive other in-service training hour credits. The CQI request was to add a place to enter the training code to be utilized for the specific request on the form. The CD-114 has been revised to include the training credit code.

Personal Reference Questionnaire, CS-101f

This form is utilized to obtain the required three personal references for resource provider licensure. The CQI request was to add a place on the form to enter the phone number of the individual providing the reference. The CS-101f has been revised to include this information.

Certificate of License and Approval

This form is issued to resource providers who meet licensure requirements to provide foster care services. The form is generated from Central Office using the data that is entered in the computer system. The CQI request was to add the Departmental Vendor Number (DVN) to the certificate. The certificate has been updated to include DVN information. Age and gender placement information has also been revised.

The revised CD-114 and CS-101f are to be used beginning with the date of this memo.
