

OVMM – MENU FOR DISCOVERY/TRACKING SYSTEM: This is the menu screen for the discovery/tracking system.

DISCOVERY/CLAIM ENTRY

OVAD – ADD DISCOVERY INFORMATION: This screen is used to register a discovery claim referral.

OVDU - CHANGE DISCOVERY INFORMATION: This screen is used to update or change information on a discovery claim referral.

OVPU - ADD OVERPAYMENT WORKSHEET: This screen is used to add the overpayment information that appears on the demand letter. This screen can only be accessed through the flow from **OVAD** or **OVDU**.

OVPC - CHANGE OVERPAYMENT WORKSHEET: This screen is used to change information that has already been entered on **OVPU**, before the claim is established.

OVTC - ADD CLAIM: This screen is used to add specific information about the claim, such as the program code, reason, etc. This screen can only be accessed through the flow from **OVPU** or **OVPC**.

OVТУ - CLAIM CHANGE: This screen is used to change information that has already been entered on **OVTC**, before the claim is established.

OVBA - ADD CLAIM MEMBER(S) TO CLAIM: This screen is used to add individuals responsible for repaying the claim before the claim is established. This screen can only be accessed through the flow from **OVTC** or **OVТУ**.

OVBB - ADD CLAIM MEMBER(S) TO CLAIM: This screen is used to add individuals responsible for the claim who were not already added on **OVBA**. This screen can only be used before the claim is established.

OVBX - DELETE CLAIM MEMBER(S): This screen is used to delete individuals who were added but are NOT responsible for the claim. This screen can only be used before the claim is established.

OVLU - LETTER DETAIL UPDATE: This screen is used to indicate the date that demand letters are returned as undeliverable.

OVNA - ADD NOTE: This screen is used to add notes from phone calls or other contacts regarding a discovery claim referral or an established claim.

OVMA - ADD CLAIM MEMBER TO ESTABLISHED CLAIM: This screen is used to add an individual responsible for a claim after the claim has been established.

OVMD - DELETE CLAIM MEMBER(S) FROM ESTABLISHED CLAIM: This screen is used to remove an individual determined not to be responsible for a claim after the claim has been established.

DISCOVERY/CLAIM INQUIRY

OVID - DISCOVERY INQUIRY LIST: This is the inquiry screen to view all of the discovery referrals which have been entered for a specific individual. Although OVID is very similar to the OVDL screen, no updates are possible with OVID.

OVDD - DISCOVERY INQUIRY DETAIL: This is the inquiry screen to view a specific discovery referral.

OVDL - DISCOVERY CHANGE LIST: This screen is used to display all discovery claim referrals for a DCN and to select a discovery claim referral for further action.

OVТИ - PENDING CLAIM INQUIRY: This is the inquiry screen to view a specific pending claim.

OVPL - PENDING WORKSHEET INQUIRY: This is the inquiry screen to view a specific Pending Worksheet.

OVBD - MEMBER INQUIRY DETAIL: This screen displays the individuals added as responsible claim members. These names will appear on the demand letter.

OVLI - DEMAND LETTER INQUIRY: This is the inquiry screen to view all of the demand letters which have been sent for a specific individual.

OVLД - LETTER INQUIRY DETAIL: This screen displays information about a specific demand letter.

OVNI - NOTE LIST FOR DCN OR CLAIM: This screen is used to view a list of the notes.

OVND - NOTE DETAIL INQUIRY: this screen is used to display a specific note.

OVIM - CLAIM MEMBERS FOR ESTABLISHED CLAIM: This is the inquiry screen to view all of the members responsible for an active claim established after 8-6-01.

OVMI - CARS MEMBER CLAIM INQUIRY: This is the inquiry screen to view the details of a responsible member of an active claim established after 8-6-01. This member does not have to be the head of household.
