

## CONSENT TO CONTACT SPONSOR FORM

If you have a sponsor who has signed an affidavit of support (I-864 or I-864A) on or after December 19, 1997, we may need to contact your sponsor. One reason we may contact your sponsor is to request information regarding the sponsor's income and resources if we have to count part of the income and resources on your case. Another reason we may contact your sponsor is to notify your sponsor that s/he may be liable for food stamp benefits you receive.

We must have your consent to contact your sponsor. You do not have to give consent for us to contact your sponsor. If you do not give consent, you will not receive food stamp benefits for yourself or for \_\_\_\_\_

Other members of your food stamp household may still be eligible for food stamp benefits.

☐

I give consent for the Family Support Division to contact my sponsor if necessary.

☐

I do not give consent for the Family Support Division to contact my sponsor. I understand I will not be eligible to receive food stamp benefits, but other members of my household may be eligible.
