CASE ID:

COUNTY:

LOAD:

Effective April 1, 2008, you are no longer required to meet a spenddown for your MO HealthNet coverage. The reason for this change is the MO HealthNet for the Aged, Blind, and Disabled non-spenddown income limit has increased from \$724 to \$737 for a single person household and from \$970 to \$992 for a married couple household. The income information we have on file for you shows your countable income is below this new limit. Thus, your MO HealthNet coverage will continue without a break unless your situation changes.

If your situation changes, you must report these changes at once to the Family Support Division office. It is important you notify us if you have changes in your household, such as income, resources, or your address changes.

If you believe this decision is not correct, you have the right to request a hearing by phone, in person, or in writing. If you wish to request a hearing after the above action, you have 90 days from March 10, 2008 to make the request. At the hearing, you may present your case or be represented by someone else including an attorney. You may bring or question witnesses.

If you have questions about this, call the office at the phone number listed below.

Sincerely,
