Dear Child Care Provider.

The Department of Social Services Contract Compliance Review (CCR) team will soon begin basic compliance reviews with vendors receiving child care payments from the department.

In the near future, you may be contacted by a CCR **team member** to set up a time to visit your facility. Vendors will be selected for reviews randomly.

During the site visit, you will be asked to provide us with a copy of records you are required to keep under the **terms** of our contract. The CCR team member will provide you with a list of the records we will be requesting at the time the site visit is scheduled. We do not anticipate that the site review and our request for records will be a significant demand on your resources.

It is the goal of the department to maintain a successful relationship with all private partners. If you are concerned that your current business practices **am** not in accordance with the contract you have **entered** into with the Department of Social Services, you are encouraged to write to the Division of Budget and Finance, Attn: Contract Compliance, PO Box 1082, Jefferson City, MO, 65102-1082 or to email contractcompliance@dss.mo.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Kinkade".
