

**Now you are on Transitional MO HealthNet.**

Your family’s healthcare coverage has changed to Transitional MO HealthNet (TMH) because a parent or caretaker relative in your home is earning more income from a new or current job. This coverage will continue for 6 months. However, your family may qualify for up to 12 months of TMH.

**You qualified for TMH because:**

- Your family received MO HealthNet for Families (MHF) in at least three of the last six months right before your income changed;
- You don’t qualify for MHF anymore because a parent or caretaker relative is earning more from a new or current job;
- You have a child still living in your home who is under age 19. (If the child is age 18, they must be attending high school, or an equivalent level of vocational or technical training, full-time.)

**Reporting Requirements**

To continue receiving Transitional MO HealthNet you must complete and return three quarterly reports:

<b>Quarterly Reports to complete and return</b>	<b>Is there a limit on my income amount?</b>	<b>When will I get the report and when must it be returned?</b>
First Quarterly Report	No	Received in your 3 <sup>rd</sup> month. Return by due date indicated.
Second Quarterly Report	Yes, your family income must be at or below 196% of the Federal Poverty Level (FPL)	Received in your 6 <sup>rd</sup> month. Return by due date indicated.
Third Quarterly Report	Yes, your family income must be at or below 196% of the Federal Poverty Level (FPL)	Received in your 9 <sup>rd</sup> month. Return by due date indicated.

The reports will ask about your income and any changes in your household, such as someone becoming disabled, pregnant, or moving out.

**Your TMH coverage may end before the 12 months if:**

- You don’t return any of the three reports by their due dates
- Your income on the Second and Third Quarterly Reports is higher than 196% of the FPL
- You don’t have a child living in your home who is under the age of 19. (If the child is age 18, they must be attending high school, or an equivalent level of vocational or technical training, full-time.)
- Your family has moved out of Missouri
