

# Medicare Cost Savings Programs (Appendix M)

The **Qualified Medicare Beneficiary (QMB)** and **Specified Low Income Medicare Beneficiary (SLMB)** programs are commonly referred to as Medicare Cost Savings Programs. The purpose of these programs is to assist individuals by paying:

- Medicare premiums **and** by making payments to medical providers for coinsurance and deductibles for Medicare services; or
- Medicare Part B premiums only.

To qualify for the QMB/SLMB program, applicants must meet three general eligibility requirements:

1. Be enrolled in Part A Medicare (Hospital Insurance)
2. Have resources not exceeding the QMB/SLMB resource maximums of \$7,860 for an individual, and \$11,800 for a couple
3. Have income not exceeding the QMB/SLMB standard of the Federal Poverty Level for the assistance group size

**Additionally**, QMB/SLMB applicants must also meet the MHABD general eligibility requirements of:

- Social Security number
- Citizenship/Alien status, and
- Residency/Institutional

## Qualified Medicare Beneficiary

The QMB program pays for Medicare Part B premiums, coinsurance, and deductibles for eligible persons enrolled in Medicare Part A, whose income is less than 100% of the Federal Poverty Level. There is a standard \$20 deduction from income, before it is compared to the Federal Poverty Level.
