SUBJECT: INTRODUCTION TO TRAUMA WEBINAR

DISCUSSION:

The purpose of this memorandum is to share a new video resource entitled "Introduction to Trauma". This thirty minute webinar, presented by Dr. Patsy Carter, Missouri Department of Mental Health, will introduce viewers to the definition and prevalence of trauma, as well as examine the social, biological, and health impact. The video can serve as a great resource for agency staff, foster parents, contracted staff and community partners who are interested in learning more about how trauma can impact families. The webinar qualifies as CA/N 210 training credit for agency staff and is also pre-approved as thirty minutes of in-service training for foster parents.

Staff should complete the request for training credit form at the following link:

<http://dssweb/cs/training/210info/210reqtrain20091.pdf>

The completed form should be submitted via email to the attention of Jeff Adams, Training Coordinator, Professional Development and Training.

For foster parent training credit entry, staff should follow local procedures and use the foster parent in-service training code 299 (Other approved in-service training) and enter the class name in the system.

The video presentation may be accessed at the following links:
