Use E-Forms

Dear Children's Division Staff,

This practice alert is to remind Licensing workers to obtain Resource Licensing forms from E-Forms to ensure you are using the latest version. For example, the CS-45 was updated with Memo CD21-50 and the latest version is on E-Forms. The link to e-forms is the following:
[Employee Access – eForms – Childrens Division \(mo.gov\)](#).

The DocuSign packet has the latest versions of all forms so if you are in that pilot area then you are using the correct forms.
