

A close-up photograph of a person's hands, wearing a red and white striped shirt, reading a book with Braille. The hands are positioned over the raised dots on the page, with fingers gently touching them.

# Rehabilitation Services for the Blind

Rehabilitation Services for the Blind (RSB) offers services to blind or visually impaired individuals to help them gain independence and employment success.

## Programs and Services

- **Vocational Rehabilitation**  
Training and support for people with visual impairments, in an effort to find employment.
- **Children's Services**  
Information and advocacy for families who have children with visual impairments .
- **Business Enterprise Program**  
Employment opportunities in federal and state buildings for individuals with visual impairments.
- **Older Blind Services**  
Independent living skills and assistance for visually impaired individuals over the age of 55.
- **Prevention of Blindness**  
Early detection and treatment for people with vision problems who meet eligibility requirements.
- **Independent Living Rehabilitation**  
Independent living instruction and skills for individuals with vision impairments.
