

FSD Document Upload Portal

You can send documents to the Family Support Division (FSD) right from your phone, tablet or computer. Visit myDSSupload.mo.gov to send documents such as: applications, verification documents, review forms, or supporting documents (paystub or marriage license).

Follow these steps to successfully upload your documents:

- 1 Scan or take a photo of your document on your phone and save the file as an accepted file type and name the file what the document is (ex: SNAP application)
- 2 Go to mydssupload.mo.gov
- 3 Complete the form then select "add" to add your document
- 4 Answer the questions in the pop-up and drop your file in the box then select "ok" to add
- 5 If you have more than one document to add, repeat steps 3 and 4 for each document
- 6 Once all of your documents are added click submit
