**SUBJECT:** **Foster Parent Portal Notification**

**OVERVIEW:**

We are pleased to announce that the Foster Parent Portal remains on track for its summer release! As we move closer to implementation, our priority is ensuring that all licensed families are fully informed and prepared for the upcoming transition.

The purpose of this memorandum is to equip Resource Development Workers with the information needed to effectively promote and communicate the Foster Parent Portal rollout with their families.

At the licensed family's upcoming quarterly home visit, please provide them with the [Benefits of the New Foster Parent Portal document](#).

Another document and video can also be provided to the families:
